

Dear Dental Provider,

We are excited to share with you an invitation to participate in perhaps the largest, free mobile medical/dental clinic ever to come to the city of Indianapolis!

Pathway to Health is a non-profit organization that exists to serve the physical needs of the uninsured and under-insured by providing free medical, surgical, vision, dental, and other essential services.

We will be occupying Lucas Oil Stadium, April 17-20, 2022, with the support of Mayor Hogsett and other partners such as Visit Indy.

As in all of our previous events, our dental services are the most sought after. Our goal is to not turn anyone away. We will be offering oral surgery, restorative dentistry, endodontics, and dental prophylaxis. With approximately 150 dental chairs and units, we are looking for dentists, hygienists, and dental assistants. We will provide all the instruments, equipment, materials, imaging, and proper disposal. **We only ask that you bring your own headlamp.**

Please consider lending us a hand for this unique event and extending this invitation to your office staff. To gain more insight into this event, take a look at what mayors and public figures in other cities are saying about *Pathway to Health*: <https://vimeo.com/333778336>.

Pathway to Health is responsible for set-up and tear-down of all chairs, instruments, and equipment, making it easy for you to participate by simply registering on our website for the event at pathwaytohealth.org.

If you'd like to contact me, I'm best reached on my mobile phone at (317)409-3260. You may also contact Vinette Dye at (704)497-3119. We're looking forward to serving the residents of Indianapolis with you!

Kind Regards,

Randy
